11/20/2011

Dear Susan,

On behalf of the C-SOPS, I would like to thank you and CIVET for your invaluable help in our recently concluded elevator pitch contest. Your workshop and one-on training of our Rutgers students was a tremendous boost to their self-confidence and greatly raised the level of their presentations.

In addition, your recommendations and introduction to judges in the VC world added greatly to the success of our contest. This would not have been possible without the contacts you have developed through CIVET.

Thanks again for your time and efforts.

Sincerely,

Fernando J. Muzzio
