Susan Engelhardt  
Executive Director  
CIVET  
Rutgers University

Dear Susan:

On behalf of our team at The Civic Project, I'd like to wholeheartedly express my gratitude for the guidance and wisdom you and CIVET have imparted.

As a team of recent college graduates with little experience but a big dream, you helped us shape our idea into a coherent business plan, which we submitted to this year's Massachusetts Challenge Competition. Regardless of the outcome, we were so fortunate to learn from your advice and grow as an organization under your mentorship.

Thank you so much for going above and beyond your duties. We hope to work with you again in the future
